

Competitor Comparison

When you compare Roscoe's First Aid Safety Program to the alternatives, there's no contest. We offer a faster, easier, all around better solution.

Program Features	Roscoe Company First Aid and Safety	Our Competitors (e.g., Cintas)	Do-it-Yourself
Delivery/Check-In	Weekly or Biweekly	Monthly or Longer	None
Budgeting	Same investment every week/consistent billing No upfront cost	Fluctuating bills based on price of refills, supplies stocked, and service fees	Upfront costs plus refills (cabinets typically cost \$123-183 and refills around \$5-9 each)
Time	No time required from the customer	Paid time and loss of productivity due to employees checking cabinets for overstocking and excess billing	Paid time and loss of productivity due to employees checking cabinets and buying supplies - plus staying up to date with regulations
Cabinet Organization	With SmartCompliance®, supplies are organized uniformly between cabinets, with consistent locked refill placement	Shelf system with inconsistent refill placement which does not come with refill lock system	Organization managed internally, costing additional employee time and a potential shortage of required supplies
Vendor Consolidation	Roscoe is one of the only providers that offers a single invoice and contact for all products	Split invoicing and multiple points of contact for various products	Invoice is separate from current vendors

- Meets or Exceeds OSHA Regulations & ANSI 2015 Standards

SmartCompliance

Refill Boxes with Lock System

Never be out of stock! With regular cabinet checks you will always have automatic replenishment and stay in compliance. The lock system holds all refills in place preventing pilferage. ANSI compliance is clearly identified.
